In light of the submission error described above, the undersigned contacted the Inventor Assistance Center (Call Reference # 1-138594639) and spoke with a representative. The representative indicated that since the Credit Card Payment Form was signed, the response would be considered timely filed despite the unsigned Petition for Extension of Time. The representative suggested that I draft and submit the present letter with a signed copy of the Petition for Extension of Time.

In accordance with the representative's instructions, the undersigned submits a signed Petition for Extension of Time for the application identified above.

If the response is determined to require an additional extension, please contact the undersigned as soon as possible so that the additional extension may be requested.
